

The student voice can no longer be ignored.

RateMyTeachers.com is improving education by offering students a public forum to bestow praise on teachers who deserve it and offer criticisms to those that need it. Exercise your rights and come tell us if your teacher is creating an atmosphere for learning.

- **See other students' comments and post your own to help improve your school by offering constructive praise and criticisms for your teacher.**
- **Millions of teacher ratings, and thousands of schools across the United States and Canada. You can see if your school and teachers are listed today.**
- **Rate any teacher you have had in the past, and offer your feedback. You will be helping teachers, your fellow students, parents and school administrators, by offering a special insight into the classroom previously unavailable. See for yourself.**
